Strunk and White's The Elements of Style receives frequent mention in articles about writing. Originating as a classroom study aid prepared by Cornell English Professor William Strunk in 1918, this widely-used desk reference of English usage, form, and style continues to influence writers after a hundred years.

~~Strunk and White's The Elements of Style~~

A style guide, or style manual, is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization or field. The implementation of a style guide provides uniformity in style and formatting within a document and across multiple documents. A set of standards for a specific organization is often known as "house style".

AP's style is now to capitalize Black in a racial, ethnic or cultural sense, conveying an essential and shared sense of history, identity and community among people who identify as Black, including those in the African diaspora and within Africa. The lowercase black is a color, not a person. AP style will continue to lowercase the term white in racial, ethnic and cultural senses.
