Wildfire Policy Law And Economics Perspectives [PDF, EPUB \u2014

This focus on wildfire law will only increase as wildfires and the attendant public attention on managing them continues to grow. There is substantial need for scholarly attention to and analysis of wildfire law and policy. The issues are complex and rapidly-emerging; ranging from historic tort problems to far-reaching concerns about how wildfires are being used by terrorists and drug lords. This symposium will bring together law and economics scholars to discuss important public issues.
