The Republicans who run American government today have defied the normal laws of political gravity. They have ruled with the slimmest of majorities and yet have transformed the nation ' s governing priorities. They have strayed dramatically from the moderate middle of public opinion and yet have faced little public backlash.

Read Book Winnertakeall Politics How Washington

Again and again, they have sided with the affluent and ideologically extreme while paying little heed to the broad majority of Americans. And much more often than not, they have come out on top. This book shows why—and why this troubling state of affairs can and must be changed. Written in a highly accessible style by two professional
