Wolf Rider Avi
Avi is amazing. He will not be pigeonholed into a type or style of writing. This is a psychological tale in which a young teen boy receives an chilling phone call from a very evil man who will claims he has killed a young woman college student. Andy Zadinski learns that the young woman Nina is not dead but definitely in danger.

Sometimes things happen to a writer which allows him or her to write a tale using the incident as the basis for a story. The origin of Wolf Rider was just such a true incident, and it was quite horrific. I had just moved into a new apartment. I had just installed a new phone (this was before cell phones.)

Wolf Rider by Avi - AbeBooks
Avi succeeds in hooking the reader in the first few sentences of the book. The reader learns that Andy, the protagonist, receives a phone call and the voice on the other end claims that he has just killed someone. Immediately the reader is drawn in and wants to know who this voice is and why he is calling Andy.

Wolf Rider by Avi | LibraryThing
My students enjoy books by Avi, but this recording was so slow, they lost interest. If you 've listened to books by Avi before, how does this one compare? N/A How could the performance have been better? The reader needed to speed up. What character would you cut from *Wolf Rider*? I wouldn't cut any character. Any additional comments?

Wolf Rider by Avi | Audiobook | Audible.com
Wolf Rider is a well written book with a lot of suspense and drama. Avi does a nice job of getting the reader's attention in the very beginning of the book, drawing him/her in with a extremely mysterious phone call. Aside from a few confusing parts in the middle and towards the end of the book, *Wolf Rider*'s plot is almost flawless.
