Prayer is a privilege that God has given to His children. We can talk to our heavenly father directly and receive answers. The attitude of many Christians shows that they do not believe that God really answers prayer. But why pray if you will not get results? If you look closely at Scriptures which speak about prayer, you will discover that Jesus did say that we might possibly get an answer to our prayers. He said that we would get an answer. "We do not worship the sun, the moon or the rivers. We worship a living God who has the power to save and to deliver!" says Dag Heward-Mills. The first step is to pray yourself and the next important step is to pray to the Father because Jesus was directing us to pray to the heavenly father when he is no longer with his disciples. According to the writer the third vital step is to use the name of Jesus because God will respond when he hears the name of His son. In this book Dag Heward-Mills gives the most important steps when praying.
